Pierce County
Government Guide

2003 Government Guide

Dear Friends,

I am pleased to provide you with this updated 2003 edition of my 31st Legislative District Government Guide.

Government officials are in office to serve you. The information in this directory was assembled to help you get answers fast.

In the middle of this government guide is a newsletter specific to Pierce County. It's part of my effort to keep citizens informed of how Olympia affects each and every household. (page 11-14)

If I can be of further assistance, please contact me with your concerns and comments.

Best Wishes,

Pam Roach
State Senator
31st Legislative District

Legislature Adopts Amendments Proposed by Senator Roach to Protect Citizen's from Sex Predators

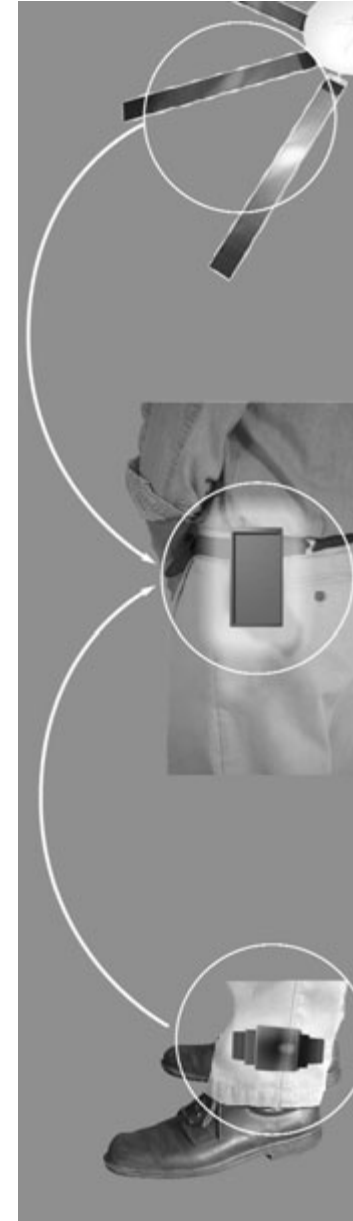

In December of this year, Sen. Pam Roach was appalled to learn that the Department of Social and Health Services (DSHS) was considering three residential sites for the placement of the court-ordered sex predator facility.

She strongly urged DSHS to look for an industrial site for sex predator facilities. She felt it extremely important that a precedence be set to keep all sex predators out of neighborhoods. By keeping to this goal, children and vulnerable adults are kept safe and property values are maintained.

In order to provide safety to families, Sen. Roach successfully introduced two budget items that were enacted this year. The first change requires Global Positioning system (GPS) devices to be worn by violent sex predators released into communities to track their movements. (Amendment #33)

The second puts a sex predator Web site on the Internet. (Amendment #30) This Web site enables parents to know if convicted predators live in their neighborhoods. The site should go live the first part of August and is located at:

Initiative and Referendum Rights Protected

During the session, I was appalled at the attack on the initiative and referendum process. Regardless of political persuasion, 85 percent of Washington's citizens want to keep the citizen's right to initiatives and referendums. The citizens of only 18 states have this right.

The initiative and referendum process was under attack this year in the Senate, where I led the opposition to uphold our basic rights with the support of hundreds of citizens and their e-mail, phone calls and letters. After great effort, the legislation that would have passed if it had survived to the Senate floor was finally defeated.

Senator Pam Roach
31st Legislative District

District Address:
PO Box 650
Auburn, WA 98071
(253) 735-4210
e-mail: roach_pam@leg.wa.gov

Dear Friends,

Thank you for giving me the honor of representing you in Olympia. This year, I have enjoyed serving as the chair of the Senate Government Operations and Elections Committee where I have successfully prime sponsored several pieces of law that affect our economy, state elections and the veteran community.

I have accomplished a lot in Olympia, and have kept Pierce County as a focus. In the center section, I discuss Lake Tapps, Rainier School, Fluoridation and Transportation funding.

In addition, I'm proud to have successfully sponsored amendments to the budget, which will help make neighborhoods safe. The first requires Global Positioning System (GPS) devices to be worn by violent sex predators released into our communities in order to track their movements. The second puts a sex predator Web site on the Internet (Amendment #30). This Web site enables parents to know if convicted predators live in their neighborhoods. The site should be available in August at www.ml.waspc.org.

Pierce County is an incredible area. I appreciate hearing from you. Please feel free to call me in district at (253) 735-4210.

Again, thank you for allowing me to serve. I look forward to hearing and working with you.

Sincerely,

Pam Roach
State Senator

P.S. I'm available to speak at local clubs and events. Please call if I can be of any assistance.

Committees: Government Operations & Elections, Chair • Ways & Means • Judiciary • Financial Services, Insurance & Housing

Recycled

Lake Tapps

I'm pleased that we could come together on the local and legislative level to address this issue at Lake Tapps.

As a founding member of the Lake Tapps Task Force, I have worked with citizens to save Lake Tapps. The Lake Tapps Homeowners Group is currently collaborating with PSE to outline a long-term Lake Tapps management plan, which will encompass everything from water levels to boating management. The idea is to have a plan that preserves and enhances the quality of Lake Tapps.

The Task Force and Lake Tapps community won a big victory on June 26 when the Federal Energy Regulatory Commission (FERC) issued a 6-month extension to allow PSE to continue operating its White River Hydroelectric Project. The Task Force requested the extension because more time is needed for certain reports to be submitted.

Additionally, PSE has received a water permit to sell water taken from Lake Tapps. Selling potable water will create additional revenue to offset project costs, which will help PSE maintain a presence at the project.

The Task Force is waiting for a National Marine Fisheries Service (NMFS) biological opinion that will determine the required water flow to keep fish alive. The opinion was due December 2002. The Lake Tapps Task Force has been working diligently to show that managing the water properly can help fish and help maintain Lake Tapps.

Also needed is the U.S. Army Corp of Engineers study on the White River diversion dam. It was due in February 2003. FERC wants the dam, which diverts water into Lake Tapps, replaced. The study will outline the costs to replace the dam.

The Task Force will continue to work to find a long-term solution which will best benefit the Lake Tapps community.

Buckley benefits with new jobs and construction projects

More jobs, a new nursing facility and major renovations are coming to Rainier School as a result of the 2003 capital budget negotiations. Rainier School will receive money to improve and update its infrastructure (phones, water lines, power, etc.), renovate its cottages and build a new 60-bed skilled nursing facility. The total package will bring additional employees to Rainier School and provide \$10.5 million in related construction jobs.

The capital budget is used to build, repair and improve state-owned buildings, public schools, public lands and parks. This budget is completely separate from the operating budget (general fund). The capital and operating budgets are funded from separate and distinct sources.

These updates will be a great benefit to us. With the sluggish job market and high unemployment rates, the construction projects will bring family-wage jobs to the area and help support our community.

These improvements also help secure Rainier School as a residence for the developmentally disabled rather than a juvenile detention facility as has been proposed in the past.

Rainier School Projects

| | |
|------------------------------------|---------------------|
| Infrastructure Improvements: | \$2,500,000 |
| Cottage Renovations: | \$300,000 |
| Nursing Facility (60 beds): | \$7,800,000 |
| Total: | \$10,600,000 |

Vote on Fluoridation Issue

One of the most highly charged local issues in Pierce County has been the 2002 “Mandate to Fluoridate” issued by the Tacoma-Pierce County Board of Health. Concerns focused on the fact that a non-elected public body (the Tacoma-Pierce County Board of Health) mandated fluoridation. This move was unprecedented. In every other city or county, fluoridation was a result of a public vote.

I thank the local elected officials in Bonney Lake and Edgewood for their efforts to allow the public to choose. At the board of health meeting prior to the mandate, I testified, along with other elected officials, about the importance of a public vote. The health board would not even grant a delay.

In addition, I worked with Pierce County Senators and Representatives in supporting legislation that would require a vote (Senate Bill 5764). However, lobbyists and bureaucrats were successful in stopping the bill. I will continue my efforts to correct this situation.

Transportation Facts

New Transportation Projects in the 31st District

| | |
|-------------------------------------------------|---------------------|
| State Route 161 - Widen and safety changes..... | \$46,866,000 |
| State Route 410 - Widen..... | \$6,000,000 |
| Total: | \$52,866,000 |

Current Transportation Projects in the 31st District

| | |
|------------------------------------------------------|---------------------|
| State Route 18 - Restoration and maintenance..... | \$4,676,000 |
| State Route 161 - Widen and safety changes..... | \$220,000 |
| State Route 162 - Intersection improvement..... | \$132,000 |
| State Route 164 - Congestion relief, improvements... | \$5,398,000 |
| State Route 165 - Congestion relief | \$1,085,000 |
| State Route 167 - Interchange, improvements | \$22,626,000 |
| State Route 410 - Various improvements, widen..... | \$8,779,000 |
| Total: | \$42,916,000 |

Combined Total:.....\$95,782,000

Understanding the Legislature

How Your Voice Can Be Heard

Washington has one of the most open legislatures in the country. Every bill being considered by the House or Senate must be discussed in open hearings before the appropriate committees. The general public is welcome and encouraged to attend committee hearings and to testify on issues important to them.

While words like “hearing” and “testify” may sound forbidding, they simply represent your opportunity to come to Olympia and tell lawmakers how you feel before action is taken on an issue. For more information on how to testify effectively, write the State Capital Information Center or call my office (360) 786-7660 for a free brochure.

You can leave messages for your state representatives and senator supporting or opposing bills or issues by calling 1-800-562-6000 toll-free, Monday through Friday from 8 a.m. to 5 p.m.

When you call, be prepared to leave your name, address and telephone number, so we can contact you after receiving your message. It’s helpful if you are specific about the issue or bill you are calling about, and who should receive your message. If you don’t get through the first time, please try again.

The Washington State Legislature

Washington has two legislative bodies representing 49 legislative districts. The House of Representatives has 98 members serving two-year terms. The Senate has 49 members serving four-year terms. There are two representatives and one senator from each legislative district.

The Legislature convenes in regular session each year on the second Monday in January. The sessions are constitutionally limited to 105 days in odd-numbered years and 60 days in even-numbered years. Extraordinary or special sessions may be called by the Governor, or the Legislature may call itself into session by a two-thirds vote of both houses.

An Invitation to Olympia

Washington's Capitol Building and its surrounding campus make Olympia one of the nation's most beautiful state capitals.

The Capitol Campus is a year-round tourist destination and the Legislative Building is its centerpiece. Originally completed in 1927, the Capitol was newly refurbished for the state's Centennial in 1989. Olympia visitors also can enjoy the Temple of Justice where the State Supreme Court meets, the governor's mansion, the Old Capitol Building and several veterans' memorials situated on the 30-acre campus. I hope everyone in the 31st District will take advantage of this enjoyable and educational destination located just an hour's drive from our area.

Senator Pam Roach
31st Legislative District

P.S. - In June 2002, a four-year project to repair damage done by the Feb. 2001 earthquake began. Other areas of the campus are open. Please call my office at (360) 786-7660 to arrange for a tour guide.

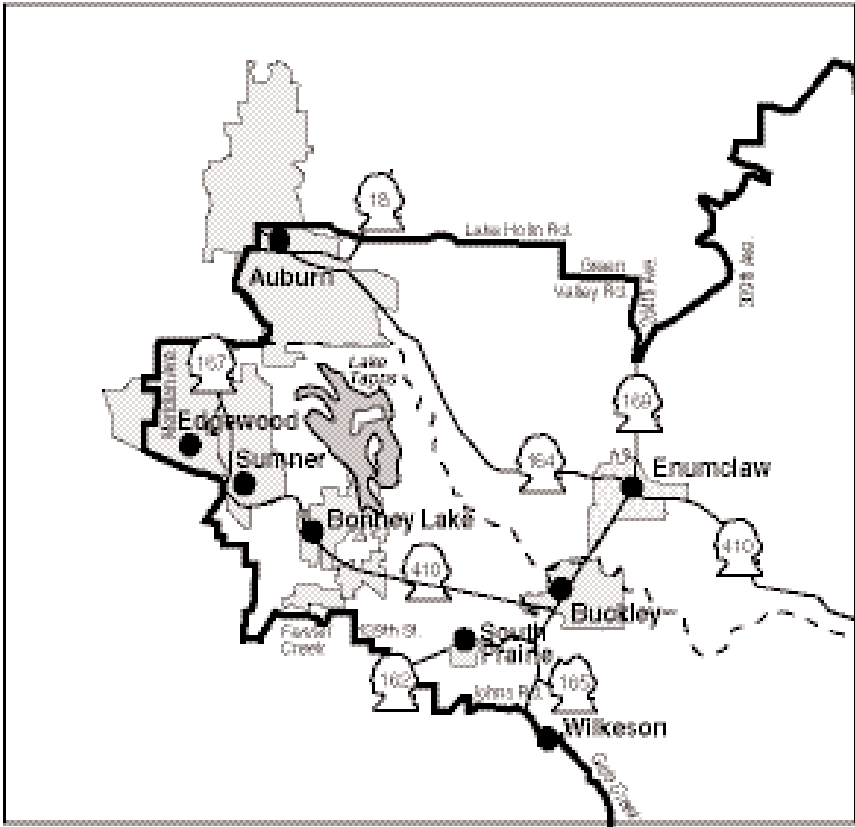

31st Legislative District

----- King/Pierce County Border

31st Legislative District in Detail

Sen. Pam Roach's Prime-Sponsored Legislation Signed Into Law

Helping Business

- **ESB 5256 — Rule-making Procedures:** State agencies will need to examine the costs and benefits to a business before implementing state regulations.
- **ESSB 5766 — Administrative Rule Notice:** Business must be notified of changes in the state's business regulations; heretofore, there was no such requirement.

Ensuring Voter Rights

- **SSB 5218 — Mailing of Ballots:** *(Election ballots will not be late!)* Counties will improve the way they mail absentee ballots.
- **SSB 5221 — Election Statutes:** Outdated election laws are updated and wording is standardized.
- **ESB 5374 — Help America Vote Act:** Enables our state to receive federal money for updating and replacing old voting machines. *(No more punch card voting!)*

Honoring Veterans

- **SB 5049 — Veterans' History Month:** November has been designated as veterans' history awareness month.
- **SB 5273 — Veterans' Employment Exams:** Limitations to earned veteran's points are removed.
- **SB 5463 — Military and Overseas Voting:** Military personnel will be able to vote overseas in November 2004 via the Internet.

Better Government

- **SB 5176 — Fire Fighting Training:** All fire fighters in the state will now receive wild-land fire fighting training.
- **SSB 5274 — Archives Division Funding:** Two needed accounts are created for the Division of Archives and Records Management so costs of digital archiving can be met.
